COMMUNICATION

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicants submitted an Information Disclosure Statement ("IDS") for the above-referenced patent application on September 18, 2001. In a recent voice mail to Applicants' representative, the Examiner indicated that she is unable to locate this IDS at the Patent and Trademark Office. A copy of the IDS and copies of the references cited therein are submitted herewith.

Attached are copies of the originally-filed Transmittal Form, including the Certificate of Mailing dated September 18, 2001, the IDS as originally filed with a Certificate of Mailing dated September 18, 2001, and the postcard received from the Patent and Trademark Office, indicating that the IDS was received by the Office on September 26, 2001. Since the IDS was received by the Office before the mailing of an Office Action on the merits, Applicants believe that no fees are due.

Applicants respectfully request that the IDS and documents therein be made of record. Applicants would appreciate the Examiner initialing and returning the Form PTO-1449, indicating that the references have been considered and made of record.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 252312007400. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: April 23, 2003

Respectfully submitted,

By: Jill A. Jacobson
